2 of 2 people found the following review helpful. necessary for navigating!By bcworld13The moleskine guide to Istanbul is a necessary purchase for any traveler to Istanbul. The streets of Istanbul are not in a grid by any means and often unlabeled, so the very detailed maps in this guide are extremely helpful. Also, I always like to look like I know what I'm doing when traveling, and this guide is much more discrete than typical travel guides, so you can glance at your maps without looking helplessly lost. great purchase!
