Alan J.K. Sanders, J. Bat-Ireedui : Mongolian Phrasebook (Lonely Planet Phrasebook: Mongolian) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mongolian Phrasebook (Lonely Planet Phrasebook: Mongolian):

0 of 0 people found the following review helpful. Five Stars By profcpa Helpful. The local guide to culture was also helpful 1 of 1 people found the following review helpful. Couch Surfers and Travelers Should Swear By This Book By Jason Couch surfers and travelers should swear by this book. I lived in Mongolia for over a year, and many key phrases

are mentioned in this book. Definitely learn Cyrillic script before you visit Russia or Mongolia. Its not too difficult to pick up. The Mongolian version differs in that they use tenderized vowels. The book touches base with all of that. (its useful for reading signs when riding the buses). AVOID CABS. Don't get hung up on learning everything if you are passing through for a couple days. Just the essentials like "how much" ene xed ve? "thank you" bayarlala "hello" cain uu? Mongolian people are very generous, often patient and are happy to see you, so take your time with the language. 2 of 2 people found the following review helpful. DisappointingBy BuzzardIn the past year I have spent 6 months in rural Mongolia. I had the Lonely Planet Guide to Mongolia and The Lonely Planet Mongolian Phrasebook. First off, the Guide to Mongolia is excellent, my copy is basically falling to pieces I used it so much. I was less pleased with the Phrasebook. I have some concerns about the pronunciation guide as given by other reviewers. The use of the "schwa" in Mongolian could be better described. I found the section on restaurants very poor. In the area where I was menus were in Mongolian only and the phrasebook was useless trying to decipher the menu. The phrasebook would be enhanced if the vocabulary list included a Mongolian-English section. If you come across a Mongolian word that you want to understand the phrasebook is not much use. In its favour, the book is cheap, portable and is written in an easy style.

This is the only Mongolian language guide available, with an extensive vocabulary, plenty of essential words and phrases, notes on pronunciation, culture and, for the more adventurous, grammar. Make your journey to this fascinating country complete with this useful language kit.

"...Lonely Planet phrase books have long taken a hip, streetwise approach." -- Atlanta Journal-Constitution, May 27, 2004
"Lonely Planet Phrasebooks. Portable, pocket-size, cheap, and available for almost any country you might want to visit..." -- National Geographic Traveler, September 2006
From the Publisher
Who We Are
At Lonely Planet, we see our job as inspiring and enabling travelers to connect with the world for their own benefit and for the benefit of the world at large. What We Do* We offer travelers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages.* We are relentless in finding the special, the unique and the different for travellers wherever they are.* We update our guidebooks by visiting thousands of places in person to get the details right and tell it as it is.* We always offer the trusted filter for those who are curious, open minded and independent.* We challenge our growing community of travelers; leading debate and discussion about travel and the world.* We tell it like it is without fear or favor in service of the travelers; not clouded by any other motive.
What We Believe
We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
