Freytag-Berndt und Artaria : Montenegro (English, Spanish, French and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Montenegro (English, Spanish, French and German Edition):

0 of 0 people found the following review helpful. Incredible...By TravelingfoolToo big to use on the road, but it's an essential part of the planning of my road trip through Montenegro! Incredible detail, historic sights that don't show up in the guidebooks, a real lay of the land - even before you arrive. I hesitate to say it, as I tend to not believe glowing reviews, but I love it!

A clear and accurate travel map for Montenegro from the reliable publishing house of Freytag Berndt
