**Sarah Musgrave : Montral Resto--Go-Go: 200 Cheap and Fun Places to Eat and Drink in Montreal** before purchasing it in order to gage whether or not it would be worth my time, and all praised Montral Resto--Go-Go: 200 Cheap and Fun Places to Eat and Drink in Montreal:

0 of 0 people found the following review helpful. Pretty good guideBy BJGWe frequent Montreal quite a bit, and have fallen into the habit of going to the same restaurants time after time. That is not a bad thing, but I thought I should

expand my horizons a bit and maybe save some money. We found a couple of nice restaurants in this book that were good and reasonable, and the best part is that it sent us to neighborhoods that we do not normally go to. We found out that there is more to Montreal than downtown and Old Montreal. It is worth a read if you want to try something different or save a few bucks.

Casual dining critic Sarah Musgrave takes readers on an affordable, yet palate-pleasing, epicurean adventure in this guide to 200 of Montreal's well-known and undiscovered restaurants and bars. Nearly half of the restaurants listed are new to this updated edition and detail a wide range of cuisines from classic diners, brew pubs, and vegetarian cafes to late night eats, French bistros, and a variety of ethnic eateries all available for under \$20. Learn about the best places to BYO (bring your own) wine in the new Wine and Dine section, discover the diversity of Montreal's tapas-style restaurants in Sips and Snacks, and where to go when one wants to splurge on a special meal. Alphabetical, area, and cuisine indexes are included.

"It's a book that opens your eyes to Montreal's ethnic diversity... This book is a must for the diner-out." --Julian Armstrong, Montreal Gazette  
About the Author Sarah Musgrave is the casual dining critic for the Montreal Gazette and the coauthor of several books in the Moon Metro and the Formac Colourguide series. She is a former managing editor of the Montreal Mirror. She lives in Montreal, Quebec.
