Ann Marie Brown : Moon Bay Area Biking: 60 of the Best Rides for Road and Mountain Biking (Moon Outdoors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Bay Area Biking: 60 of the Best Rides for Road and Mountain Biking (Moon Outdoors):

1 of 1 people found the following review helpful. Comprehensive and well-written
By Jeff G. I have purchased a lot of bike guidebooks, and the Moon series consistently have the best maps, local info, descriptions and ratings. This guide is no exception. I have only ridden a couple of the trails so far, but I was well prepared for them and found my way with this guide. I wish Moon would offer a guide to the Wasatch Front in Utah where I live.

By Monterey Jack
Glad I got it because I've learned about trails that I didn't know existed.

Covering the most popular Bay Area biking destinations as well as some well-kept secrets this is the biker's guide to finding the best rides throughout the region. Moon Bay Area Biking guides bikers through the North, East, and South Bay, as well as surrounding areas, with rides alongside the Pacific Coast and through lush state parks. Brown outlines a wide variety of roads and trails, including family-friendly rides, paths good for wildlife viewing, and routes full of history. Complete with elevation charts, route maps, options to extend or shorten each ride, plus information on bike shops, riding clubs, and bike organizations throughout the Bay Area, Moon Bay Area Biking gives bicyclists the tools they need to create a more personal and memorable experience.

About the Author
The author of 13 outdoor guidebooks, Ann Marie Brown is a dedicated California outdoorswoman. She hikes, bikes, and camps more than 150 days each year in an effort to avoid routine, complacency, and getting a real job. Ann Marie's work has appeared in *Sunset*, *VIA*, *Backpacker*, and *California* magazines. As a way of giving back a little of what she gets from her experiences in nature, she writes and edits for several environmental groups, including the Sierra Club and National Resources Defense Council.
