I hope there is more useful tips and details for the trip but I just find general ideas and information. I think i still take it with me when I go to Buenos Aires anyway

From exploring the museums and botanical gardens of Palermo to dancing in San Telmo's best tango bars to wandering the legendary Pampas, Moon Buenos Aires is the guide to the best that this popular South American destination has to offer, both on and off the beaten path. Complete with details for exploring Montevideo's new Ruta
