Nicholas Mills : Moon Buenos Aires (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Buenos Aires (Travel Guide):

About the Author After completing his politics degree at Goldsmiths, London, Nicholas Mills intended to travel around South America in 2007. He began his trip in Buenos Aires, immediately fell in love with the city, and never left. Nick has worked for an NGO, written for the Argentina Independent, translated several publications and covered football matches. Happiest with either a pen or a map in his hand, Nick has spent the better part of a decade criss-crossing the city to attend football matches, milongas, asados and many of the wide variety of cultural offerings the Argentine capital provides.
