**Deb Graham : More Cruise Tips: From The Cruise Addict's Wife** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Cruise Tips: From The Cruise Addict's Wife:

1 of 1 people found the following review helpful. An enjoyable readBy Kindle CustomerWith only 30+ days to my next cruise, I read this book to prepare myself. It put me in the right frame of mind. Panama Canal here we come. The book provides lots of insight and tips I'll put to use. I just need to win lotto so I'll have the money for all the cruises I want to take. I read this book after reading the first cruise tips book. I'll be ordering another of Deb's books. I highly

recommend these books for everyone, even if you don't plan on cruising but would like to learn about a cruise vacation. 1 of 1 people found the following review helpful. A terrific guide By Tracam More Cruise Tips From the Cruise Addict's Wife is informative, concise and well written. I have never been on a cruise and was looking for information. This book is crammed with tips and the author's experience and I learned so much my head was spinning. I'll have to read it again with a notebook next to me. A terrific guide to cruising. 0 of 0 people found the following review helpful. More Cruise Tips By David L. Carroll Another great book that is loaded with useful information for both First Time Cruisers and veteran cruisers. My wife and I took our first cruise on the Carnival Valor in June 2017, which was a fabulous initiation into the joys of cruising. The tips in Deb's came in handy and I know that I will be referring to it off during our next cruises and, yes, we are looking forward to more cruises in the near future.

Shes back! Come along as Cruise Addicts Wife shares even more tips and hints to make you the smartest passenger on any cruise ship. See more, do more, enjoy more, relax more, and save a boatload of money along the way. Learn which cruise line suits your style best, what time of year to book the best cruise, how to choose a cabin (and which ones to avoid at all costs), how to book a private tour that will save time, money, and stress. More Cruise Tips is chock full of insider tips you wont find anywhere else. Its no typical, dry travel guide; this one is full of stories and personal experiences that will have you grinning as you reach for your highlighter to mark yet another section. Seriously, you need this book before you plan any cruise vacation! And its less than a single frou frou drink onboard. BONUS: chapter from the Cruise Addicts Mediterranean Cruise book, complete with ships shopping list!
