By Kevin M. Hogan I've been collecting Motocourse annuals for decades. They're allways a great read! Great rider/team bios, tech articles and outstanding Gold and Goose photos. Makes a great coffee table book, if the significant other allows (I'm divorced...no worries, mate! LOL!) Pricy , but worth it. Enjoy! 0 of 0 people found the following review helpful. A motorcycle enthusiasts must have By Richard Jones A fantastic review of the past seasons 2 wheeled motorsport activities to get one through the off season before the commencement of the next.

Now in its 33rd year, Motocourse continues to go from strength to strength as the fortunes of MotoGP worldwide continue to flourish. Compiled by leading motorcycle journalist Michael Scott, Motocourse is not simply a lavish document of the MotoGP and Superbike seasons, it is a highly collectable resource that has sold out for each of the past five years. It is widely recognized as the leading annual in this exciting sport.

Motocourse 2008-2009 reflects the 33rd Year of Publication of this two-wheeled Bible. From the dust jacket cover photo of Valentino Rossi on his #46 Yamaha MotoGP rocket to the Major Results section of Worldwide Championship Racing Series, the book is a smorgasbord of motorcycle delights. Rossi tells of his championship season in the Foreword. The photography in Motocourse is unparalleled. Action shots, close-ups, portraits, candid all are here and all are excellent. Motocourse: The Worlds Leading Grand Prix Superbike Annual 2008-2009, earns five out of five lug nuts. Gregg Leary, SpeedTV.com
