I am very pleased with it. Although I have a GPS and iPhone, I still prefer to plan my trips with a paper map. If I cannot get a signal for some reason, then I still have something in my hands to find my way. It folds up nicely and is strong so it will not fall apart. 0 of 0 people found the following review helpful. Five Stars By Lloyd L. Sturdy and informative. 1 of 1 people found the following review helpful. Good quality map By Joe Schmoel've used this map on 3 backpacking trips in Point Reyes and it provides all the necessary information you'll need to find water, campsite, restrooms, and other important locations. Every time I go to Point Reyes it's raining, but because the map is completely waterproof and tear-resistant, I don't have trouble finding my way.

Waterproof Tear-Resistant Topographic Map Marin County, just north of San Francisco, is rich in recreational opportunities as well as diverse coastal landscapes of striking beauty. National Geographic's Trails Illustrated map of Mount Tamalpais and Point Reyes combines unmatched detail with helpful information to offer an invaluable tool for making the most of your explorations of this extraordinary region. Expertly researched and created in partnership with local land management agencies, this map features key areas of interest including Point Reyes National Seashore; Golden Gate National Recreation Area; Tomales Bay, Angel Island, Mount Tamalpais, and Samuel P. Taylor state parks; and Muir Woods National Monument. The print map features a detailed inset of Mount Tamalpais. With miles of mapped trails including portions of the Bay Area Ridge and California Coastal trails, this map can guide you off the beaten path and back again in some of the most breathtaking scenery in the region. The clearly marked trails include mileages between intersections. The Pacific Coast Highway is noted for those wishing to take in the scenery by car. The map base includes contour lines and elevations for summits, passes, coastal waters, and many lakes. Some of the many recreation features include campgrounds, lighthouses, interpretive trails, wildlife viewing areas, fishing areas, boat launches, and riding stables. Helpful material about the parks, safety tips, and agency contact information is provided as well. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation.
