**Laurie and Chris Leman : Mountain Bike! Oregon (America by Mountain Bike)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mountain Bike! Oregon (America by Mountain Bike):

0 of 1 people found the following review helpful. Mountain Bike! Oregon By Ron Arrived in timely manner, came as advertised. This is a great little book. It has great information and is written in an easy to understand manner. I highly recommend it. 9 of 12 people found the following review helpful. Great reviews of covered trails, but non-comprehensive. By A Customer The descriptions of the trails included in the book are fantastic. It even comes complete with suggested rides, special comments, and other relevant information about the trails. It does, however, have very

few trails near Portland. There are multiple trails in the Portland/Salem area that are not covered.

Majestic Oregon offers mountain bikers a stunning array of landscapes to explore. From sparkling snowfields and glaciers to sunset-colored deserts, and from rolling beach dunes to charming agricultural valleys, Oregon offers mountain bikers nearly unlimited diversity. And with so much to discover, you'll want to have the inside scoop on Oregon's trails. Mountain Bike! Oregon will help you explore the state's incredible wilderness while you discover its most unforgettable rides. This guide provides detailed information on almost 100 of the best rides in the state, including tours through the Cascades, Alvord Desert, Hells Canyon, and the popular community of Sisters, near Bend. From challenging single-track on rugged mountainsides to leisurely tours of forested valleys, if it's good riding, it's profiled here. Each route profile features a thorough ride description, a detailed trail map, helpful sources of information, proximity of important services, valuable commentary on elevation changes and possible hazards and a rescue index. This guide also features interesting and entertaining photographs, vivid descriptions of the native flora and fauna, a glossary of mountain biking terms, and tips on mountain biking.
