It has a nice key at the start of each review, a great description of the ride, a detailed map and services available. Chris Wodke Author: Running for My Life-Winning for CMT5 of 5 people found the

following review helpful. Great, thorough, detailed, very informativeBy A CustomerThis book gives the off-road cyclist a great amount of information on a variety of trails. It covers location, length , difficulty of the trails it reviews. There is also information about the Chambers of Commerce close to the trails. A must buy for experts novices alike.1 of 1 people found the following review helpful. Mountain bikingBy CustomerIt was easy to follow and had a ton of information. We were new to the area and it guided us, literally, to a lot of really amazing trails that we probably would have missed if we hadn't had the book. Highly recommended.

Explores Wisconsin's classic trails with rides in 12 regions. From a family cruise that allows kids with training wheels to join in the sport to a challenging roller-coaster single-track is profiled in this book.
