Nicole Blouin : Mountain Biking Albuquerque (Regional Mountain Biking Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Biking Albuquerque (Regional Mountain Biking Series):

0 of 0 people found the following review helpful. Decent book but a bit outdated. By Erik Taylor Decent book but a bit outdated. Has a cheap feel and the pictures are difficult to follow. Still its probably the best book you will find on the subject, so despite its limitations, I would still reccomend. You can get it cheap on and you kind of get what you pay for. 0 of 0 people found the following review helpful. need better editing By tex mex good so far one mistake so far 0 of 0 people found the following review helpful. Not accurate enough to use for planning By Pete I have occasionally referred to this before accepting an invitation to ride a new trail. But, only for the overview. It is not reliable or accurate enough to use for planning. I can't imagine the publisher let it go to press before getting some editing help from people who know the area.

Twenty-five of the best rides around Albuquerque, NM.

From the Back Cover Here are 25 of the best tracks and trails around Albuquerque. From the Rio Grande Bosque to the Sandia Peak Ski Area, Mountain Biking Albuquerque serves up a tasty sampling as diverse as the New Mexico landscape. Detailed descriptions make it easy to find the trailheads and follow the routes, helping you stay on track with accurate distances keyed to easy-to-read maps and ratings for physical and technical difficulty.
