SORBA (Southern Off Road Bicycle Association), does a fantastic job of listing the best rides in North Georgia. The

book includes very accurate directions, maps, and photos of the trails. This is the best trail book I have seen for Georgia. As former president of SORBA, Alex knows the trails better than almost anyone in the area. 9 of 12 people found the following review helpful. A must have! By A Customer I've owned and utilized this 'guide' for approximately two years. We reside in the Atlanta area and are avid mountain bikers and cyclists. This guide is essential for trail markers, ride routes and cool treks off the beaten path. The book is small enough to tuck away in your camelback and use while riding! FANTASTIC! I would highly recommend if you are looking for trails in Georgia...
