**Carol Bonser, R. W. Miskimins : Mountain Biking North Lake Tahoe's Best Trails** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Biking North Lake Tahoe's Best Trails:

The Lake Tahoe Basin and Tahoe and Toiyabe National Forests offer some of the most scenic and accessible mountain bike riding in the entire country. In spring, follow portions of the Western States 100 trail; when the snow melts, explore the high country to 10,000 feet along routes of California's famous pioneers. Enjoy fabulous views of "The Lake of the Sky" from the famous Great Flume Ride.
