Paul Angiolillo : Mountain Biking Southern New England (Regional Mountain Biking Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mountain Biking Southern New England (Regional Mountain Biking Series):

5 of 5 people found the following review helpful. Was an excellent source By A. Allen Be aware that this book was great, about 5-6 years ago. Due to rapid development in the suburbs around Boston, I know of at least two excellent

trails that are now, no longer rideable. Have not been disappointed with any of the trails in the book, rode about 10 of them. Just look before you ride.

Contains over 60 rides, including 10 new rides that explore the best mountain biking in southern New England.

From the Back Cover Whether you like rolling, scenic roads or rugged, challenging single-track trails, this thoroughly revised and expanded edition will satisfy you. It contains over 60 rides, including 10 new rides that explore the best mountain biking in southern New England.
