**John Alford : Mountain Biking the Hawaiian Islands** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mountain Biking the Hawaiian Islands:

2 of 2 people found the following review helpful. He knows of what he writes. By tmp123 John Alford is both a local and an enthusiast. I had the privilege of a tour around the big island with him, then he set me on my way around Kauai. Bring this book with you if you go. 10 of 10 people found the following review helpful. Excellent... Your one-stop guide to biking Hawaii. By A Customer This book really helped me on all my rides in Hawaii. Best of all, the book

had sections on all 6 visitable main islands. The maps and trail descriptions were always right on... don't ride in the islands without this!

Mountain biking on all the islands from a biker's perspective. Lists all trails accessible and open to mountain bikes by the State of Hawaii's Division of Forestry and Wildlife, Hawaii State Parks, and Hawaii Volcanoes National Parks. Also lists private pastures that may be ridden with approval by landowners. Color photos, digital elevation maps and trail descriptions, plus tips on trail safety, trail etiquette, and preservation.
