**Janice Strong : Mountain Footsteps: Hikes in the East Kootenay of Southwestern British Columbia-3rd Edition, UPDATED** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Footsteps: Hikes in the East Kootenay of Southwestern British Columbia-3rd Edition, UPDATED:

0 of 0 people found the following review helpful. backpackerBy northstarThis book is neither a hiking guide nor a general travel book. The trail information is too incomplete to rely on for hiking information; the area descriptions are not complete enough to be a general travel guide.0 of 0 people found the following review helpful. Have used it many times and like it for it's detailed trail descriptions and trail access ...By Susanne WeissenbergerBought this book as we moved to the East Kootenays. Have used it many times and like it for it's detailed trail descriptions and trail access information. The photos in the book really inspire to go out and explore. As I live here, I am aware that due to the climate, roads and trails change quickly, with that in mind the book is a constant companion.

This edition of one of Rocky Mountain Books bestselling hiking guides contains the latest updates to routes, trails and roads in the areas around Cranbrook, Kimberley, Creston, Invermere, Radium and Fernie, located between the Rocky Mountains in the east and the Purcell Mountains in the west, including the Akamina Kishinena, Top of the World, Elk Lakes, St. Marys Alpine and Bugaboo Glacier Provincial Parks. This volume will entice hikers of all abilities. As with previous editions, readers will continue to appreciate the authors detailed descriptions and personal anecdotes, complete with colour maps and photos, related to one of the most stunning areas in western Canada. Janice Strong continues to enhance the outdoor experience for hiking enthusiasts from across the country and around the world.

About the AuthorJanice Strong is an avid hiker, snowshoer and skier and also an established outdoor photographer whose images appear in numerous publications and collections all over the world. For a decade she led hikes for the City of Cranbrooks Parks Recreation department. She and her husband, Jamie Levine, enjoy their garden and their rural property near Cranbrook, BC.
