**Juan Ignacio Pita, Claire O'Brien : Moving to Uruguay** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moving to Uruguay:

1 of 1 people found the following review helpful. To short but informativeBy Charles AllenThis book contains a lot of information, but in a format that takes up a lot of time - referrals to web sites. It works better as a reference guide for when you need something specific.1 of 1 people found the following review helpful. GuiftBy John BrunsonBought for friend. He says it's great.1 of 1 people found the following review helpful. The ultimate reference for those looking to move to UruguayBy Gonzalo PeraltaThorough and clearly written, this guide gives out useful advice for the early

stages of planning your trip and serves also as a great travel companion once you're out there, with lots of cultural information and references to help you find your way around and settle down in this unique country. It's co-written by a Uruguayan, making it a reliable source based on first-hand experience.

Moving to Uruguay is full of first-hand information on what its really like to move to this small nation. Written from the perspective of an expat and a Uruguayan, it is bursting with need-to-know information, from big things like how to get a visa to smaller things, such as a breakdown of customs unique to Uruguay. The guide is laid out in an easy-to-read manner to avoid overwhelming the reader. We also provide links to useful websites and apps that Uruguayans themselves use to make their lives easier. Inside Moving to Uruguay: Advice and references to help you decide if it is actually feasible to move. Language and culture help to put you in the Uruguayan mindset. A guide to expat renting and a breakdown of the different cities and neighbourhoods. An introduction to the school system with details of different schools and crches. Personal tips coming straight from our experience and mistakes. Photos to show you day-to-day life in Uruguay. A list of contacts for over 100 different hobbies to kick off your social life. Over 30 categories full of relevant, up-to-date information. Written and researched by Claire OBrien and Juan Ignacio Pita - Feeling Abroad
