This map is designed for the tourist who has a day or two to spend in Munich. I needed a map with more detail and depth. I found a better one in the Hallway International City Map of Munich. It is richer, more detailed, and easier to use.3 of 3 people found the following review helpful. Unusually HelpfulBy GordonI love maps and have stacks of them. In fact, I always get at least two for any country and city outside the United States that I will be visiting. Although I had 2 guidebooks for Munich, the maps just didn't give me the perspective that I was looking for: the "overall picture" as well as sufficient detail to feel comfortable that I knew what to expect and how long I could expect it to take to get to certain destinations (either walking or riding). The National Geographic maps have now become my "go to" whenever I am starting to research somewhere. I just couldn't be happier.2 of 2 people found the following review helpful. But the person I gave it to thought it was perfect!By MarjorieI gave this guide away because it focussed too much on a very small area. But the person I gave it to thought it was perfect!

Waterproof Tear-Resistant Travel MapNational Geographic's City Destination map of Munich is an invaluable tool for exploring the capital of Bavaria. The comprehensive street map on the front side provides exceptional detail of the city. Points of interest, hotels, places of worship, notable buildings, theaters, parks, information centers, and more are easy to find with the multi-language legend. Transportation aids such as subway and regional railway stations and parking areas are shown as well.Information on various points of interest are included on the reverse side, along with maps of the region and the extravagant palace of Schloss Nymphenburg. The Romantic Road and Bavarian Alps map provides detail of the Romantic, Alpine, Castle and Thuringia, and Alpine-Baltic roads. Handy diagrams of Munich (Franz Josef Strauss) International Airport and the U-Bahn (subway) and S-Bahn (suburban trains) transit systems will help you navigate the city quickly and efficiently.Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:5,700Sheet Size = 24.75" x 17.75"Folded Size = 4" x 8.75"
