Denis Lynch : Munster's Mountains: 30 Walking, Scrambling, and Climbing Routes before purchasing it in order to gage whether or not it would be worth my time, and all praised Munster's Mountains: 30 Walking, Scrambling, and Climbing Routes:

A recreational guide to the lesser known mountain paths in Ireland's Munster County

About the Author Denis Lynch is a sculptor and art technician. He views his love of landscape and art as aspects of a single greater entity. An enthusiastic hillwalker and mountaineer, he has trekked and climbed in South America, Asia, North Africa, Europe, Britain and Ireland. His preference is for the more technical aspects of rockclimbing and mountaineering, often on the less frequented peaks.
